

# Company of Sixty Field Archers

Welcome to the Company of Sixty Newsletter, February 2007

## Shoot dates for 2007/8

The following shoot dates were agreed at the Club AGM in January, see the AGM minutes which follow in this newsletter. The only date change since that meeting is for the June Open Shoot, to avoid clashing with Raven's shoot on the 3<sup>rd</sup> June. These dates should also be published on-line at the Company of Sixty website (thanks Spencer!), the NFAS website, and in print in the NFAS Newsletter.

Sun 18 <sup>th</sup> Feb	Club Champs – for paid-up members only!
Sat 24 <sup>th</sup> Feb	Friendly
Sun 18 <sup>th</sup> Mar	Open
Mon 9 <sup>th</sup> Apr	Friendly

Sun 25 <sup>th</sup> Nov	SPTA Venison Shoot (provisional date offered to the SPTA)
Sun 2 <sup>nd</sup> Dec	Open - Ron Pavitt Memorial Trophy
Sun 23 <sup>rd</sup> Dec	Mince Pie Shoot
Mon 31 <sup>st</sup> Dec	New Year's Eve Friendly
Sun 6 <sup>th</sup> Jan 2008	Friendly
Sun 27 <sup>th</sup> Jan 2008	Friendly

## Special note for the Club Champs, Sunday 18<sup>th</sup> February.

Carol has informed me that she is still not well enough to complete a whole day of catering at the Club Champs Shoot. However, tea and coffee will be available, so please bring your own sandwiches or similar, or make your own arrangements.

### **Club Secretary's position within the Club**

A few days after the AGM, during which Lucie Cramp was re-elected as Club Secretary, she decided to stand down, for personal reasons. Unfortunately, the only way for a Club Secretary to be elected is during an AGM, or at an Extraordinary General Meeting. Therefore, an EGM will be held following discussions amongst the committee, and a date and venue will be formally announced.

The committee would be glad to hear from anyone who would be interested in taking up the position within the Club. Anyone wishing to stand should be proposed and seconded by existing Club members, and these details should then be forwarded to the committee.

In the meantime you can of course approach any committee member for any issue which the Club Secretary would normally answer.

### **Minutes of the Company of Sixty AGM 2007.**

Date: Thursday January 18th 2007  
Venue: Oxshott Village Hall, Oxshott, Surrey

Agenda:

1. Reports from Committee members, including Treasurer's Report.
2. Current committee stand down.
3. Election of new committee members.
4. Identification and agreement of shoot dates for 2007/8.
5. Discussion and voting of formal proposals.
6. Any Other Business.

At 19:45, the meeting was brought to order by Patrick Hutchinson, who had kindly agreed to be the Chairperson for the evening. Approximately 20 members were present, and so the rule regarding the club meeting quorum was fulfilled.

Apologies were received for the following members:

Chris Notley	Yvonne Morley	Alex Smith	Angela Beddard
Andrew Welling	Jan Mullineaux	Linda Bennett	

Immediately after the opening of the meeting, Carol asked if she could read out a statement which she had previously prepared. There were no disagreements, and so she began. The text of the statement follows here [quoted verbatim] :

*“STATEMENT by Carol Edwards.*

*It has come to my attention, over the last seven months, that some members of the Company of Sixty have been slanderously using my name in connection with supposedly 'missing funds', and also of somehow altering the club constitution.*

*By using my name in this way, they have also involved Geoff Towers, who had to retire from the club due to ill health, and Paul Chenery the new treasurer. Also Linda Bennett, who handles all the "shoot fees" cash.*

*Those involved are at this meeting. I therefore insist that those involved put their grievance in writing and hand said writings to the club secretary. I have supplied paper and pens for this to be carried out.*

*If those involved are 'unhappy' with how the club funds are being handled they have full support from both myself, and Paul Chenery, to have an audit carried out on the 2006 accounts. This will cost them in the region of £2,000. The club will NOT be footing the bill. The 2005 accounts have already been submitted to Companies House and been accepted.*

*I have thought long and hard about 'naming and shaming' and have decided I would actually like an apology or a written allegation tonight at this AGM. Paul Chenery would also like to be named in that apology.*

*At the EGM, held at the club hut in July 2006 to elect a new treasurer, I was accused, by Sharon Charman and Rod Harris, of taking the NFAS 'one day' fees and keeping them. The cheque stubs in my own chequebook are available to anyone wishing to see them. The club had no chequebook from November 2005 to end May 2006, when Geoff found and sent me the old chequebook. This meant I had to pay the NFAS. This also involves my accounts, as I have to show where that money came from and where it has gone. More paper work! At the same time I had an e-mail from Sharon more or less telling me it was my fault we had no chequebook.*

*I would like to point out here that I have NEVER been a signatory on the Company of Sixty cheques. I have NEVER been treasurer and I have NEVER been 'club' secretary.*

*By March 2006 the club owed me somewhere in the region of £800, for ethafoam targets and for paper faces. I could not be paid as there was no chequebook! I also paid the club insurance in November 2005 when we did not have enough money to cover the cost until the subs started coming in. With the accusations I now face I will never again bail-out the club when it has money problems.*

*At the same meeting Myrtle and Rex Oakes both 'attacked' me for: 'allowing compounds into the club'. Why? I have no idea. They have also spoken to people outside of the club and accused me of 'taking' club funds. As they have never to my knowledge been to an AGM before, or approached the standing secretary or treasurer with these allegations, I would like to know where this accusation has come from.*

*If any other member has an issue with me regarding funds I would like to know who that is, and have their statement, in writing, today.*

*The inviolate Aims of Company of Sixty state 'ALL INSTINCTIVE STYLES'. The NFAS call the Bowhunter class instinctive. When I joined the club in 1982 Ron Pavitt, Roy Watson and Derek Manchester already shot compounds. There may well have been others. Certainly since moving to*

*these woods several archers have shot Bowhunter, including Clive Freemantle and Trevor James. On no previous occasion has this been raised, as an issue, by any member.*

*Ever since I joined the club I have taken time off work to design courses and help at work parties. In the years of the foot and mouth and the 9/11 tragedy, when funds were so low we thought we might have to give up, I also supplied all the paper faces, free of charge. Cost to me somewhere in the region of £400. This year alone I have taken more than a week off work to design and lay out the course you are now shooting, and provided several 'cut outs' free of charge!*

*When the club needed to become a Limited Company, Both Jim Edwards, my Dad, and myself were the only people who would sign the contract as Director and Company Secretary. Why? No one else wanted to risk the repercussions should anything go wrong. Did I want the job? No. But for the sake of the club we both signed.*

*Do I mind doing all this for Company of Sixty? No, of course not. While I am fit enough I shall carry on 'giving back' for the enjoyment I've had over the last 26 years. I would, therefore, before the end of this meeting, like a written accusation or a formal apology from all of those involved.*

*To end this statement, I would just like to clarify that:*

- if it wasn't for ME, we would not have the woods, and*
- if it wasn't for ME, we would not have the club hut!*

*Any questions?"*

[End quote]

Naturally, this statement caused some discussion, especially from those who were named and who were present. In closing her statement, Carol asked that anyone with a grievance against her should either put in their written complaints on paper she had supplied for the purpose, so that the complaints could be handled according to club rules, or, that an apology to her, Paul, and Linda should be given and the matter closed. Either of these actions should be completed by the end of the meeting. In the light of accusations of financial misdeeds and rumour-mongering, Paul also stated that all business between the club and Carol's business was above board and fully recorded, and that if any members could find better value for club supplies (3D targets, target faces, bosses, etc), he would be happy to investigate alternative suppliers further.

## **1. Reports from Committee members**

### **1a. Paul Chenery, Club Treasurer.**

Paul gave the following figures for the year 2006, and later supplied the figures below for the 2005 year.

2005 figures:

<b><u>Outgoings</u></b>				<b><u>Income</u></b>	
Rent to The Crown Estates	£2,350.00			£5,993.50	Membership fees
Insurance and fees	£483.50			£1,288.80	Shoots
Club infrastructure IE. Ethafom bosses, backstops, 3D targets, target faces, calor gas, paint, postage, keys, timber, wooden stakes and sundries.	£4,460.50			£86.00	Raffles
Total of outgoings	£7,294.00			£7,368.30	total of income
			<b>£7,368.30</b>		
	+ opening balance 2004		<b>(£24.43)</b>		
	- outgoings		<b>£7,294.00</b>		
	= closing balance 2005		<b><u>£49.87</u></b>		

2006 figures:

<b><u>Outgoings</u></b>				<b><u>Income</u></b>	
Rent to The Crown Estates	£2,585.00			£4,097.75	Membership fees
Insurance and fees	£478.75			£2,881.85	Shoots
Club infrastructure IE. Ethafom bosses, backstops, 3D targets, target faces, calor gas, paint, postage, keys, timber, wooden stakes and sundries.	£3,993.43			£125.00	Raffles/ other income
Total of outgoings	£7,057.18			£7,104.60	total of income
			<b>£7,104.60</b>		
	Opening balance 2006		<b>£49.87</b>		
	Total credit		<b>£7,154.47</b>		
	Total of outgoings 2006		<b>£7,057.18</b>		
	Closing balance 2006		<b><u>£97.29</u></b>		

Paul made the following statements:

- for the whole two years previous accounts, all outgoings had been cleared up
- the signatories for the Club chequebook had been corrected and updated
- all Club accounts now up to date
- the 2005 accounts had been filed and accepted by the Inland Revenue.
- the figures had been totalled so that the 2006 subscriptions from members were included in the 2007 accounts.
- for 2006 compared to 2005 there had been more income from shoots and raffles
- overall income was slightly down due to the change in accounting for the subscriptions.
- costs for ground rent and Club insurance has gone up
- the Club had spent slightly less in 2006
- an overall balance of £47 this year was reflected in a £97 bank account surplus. This is acceptable for the Inland revenue rules for taxation.

Paul was asked by John P if we could hold onto more club funds, and maybe put some money away. For example our ground rent is paid 1st November, but subscriptions don't come in until January, and this can lead to a deficit which we should avoid. Paul will look into this, and will take it up as long as we don't run any risk of breaching our non-profit making status with the Inland Revenue.

#### 1b. Lucie Cramp, Club Secretary.

Lucy reported the following points:

- Club ground rent has increased, and is now paid until 31st October 2008.
- On that date the Club will need to renegotiate the ground rent.
- Lucy has a meeting with the Crown Estate on 2<sup>nd</sup> February to discuss the possible placement of a container at the ground. This would be used to store club equipment, but probably not 3D targets - more likely to clear out the Club hut etc.

There was some discussion about the use and possible location of the container, but in the end there was no point in discussing this further until permission had been sought and granted.

#### 1c. Mike Hobbs, Target Face Officer

Mike reported that there was nothing exceptional to report.

#### 1d. Carol Edwards, Membership Secretary.

Carol reported the following points:

- for 2006, there were a total of 157 members - very good.
- of these 149 were paying members.
- by the date of the AGM, 61 members had rejoined, and a further 7 or 8 memberships were paid at the AGM.

- all members are urged to find new members to join the club - we always need more members!
- the club and grounds can support a maximum of 200 members.

#### 1e. Barry Newman, 3D Wrangler

Barry reported the following points:

- the club now has 25x 3D targets, mainly in good condition. These have ensured good turnouts at Open shoots.
- it maybe possible to add a few more 3Ds this year, depending upon club finances
- storage of 3Ds is becoming a problem, but this may be possible to mitigate by using the proposed container - this situation will become clearer when permission has been sought.
- work parties will be required for tidying and target relaying
  - Sunday 28th January prior to the Club Champs
  - Before the new winter course is ready for the 2nd November

#### 1f. Bob Dysart, Newsletter Editor

Bob reported the following points:

- 3 Newsletters published to all club members in 2006.
- 2 AGM and EGM notices published in 2006.
- A new Club Open Shoot Flyer has been produced, and is in use
- A completely new and wonderful Company of Sixty website has been designed and produced by Spencer Mitchell, with help from John Pryke, and some content from Bob.
- despite not being able to implement many of the ideas suggested at the previous AGM, there have been no adverse comment received about the Newsletters.
- printing and mailing is starting to cost more, so Bob will try to keep the Newsletter as short as reasonably possible.
- Any members who can receive the Newsletter via email will save the club money and receive their copy earlier than via letter post. Please send an email to Bob at work:

[Robert.Dysart@ericsson.com](mailto:Robert.Dysart@ericsson.com)

Following a request to see it from some club members at the AGM, the following is the text (written by Bob) used on the homepage (first public page), of the Company of Sixty website :

*Welcome to the Company of Sixty*

*The Company of Sixty is a long established, friendly field archery club, registered with the National Field Archery Society .*

*We have exclusive rental of a large plot of beautiful Surrey woodland, which is within easy reach of the M25 and the A3. The woodland is owned and managed by the Crown Estates. Our exclusive rental ensures that we can set a course, and have it available for member's practice 7*

*days a week. Members may shoot at any day or time which suits them, except for organised shoots or course maintenance periods.*

*Our constitution follows that of the NFAS, and most shoots are run under the auspices of the NFAS, and hence the NFAS rulebook. This governs safety, scoring and etiquette. All members of the Company of Sixty are required to join the NFAS, which offers membership on an annual basis, for £15 (adults), or £7 (juniors under the age of 16). The NFAS provide shooting and practice insurance as a membership benefit. For full details, please refer to the NFAS website.*

*We shoot at 2D and 3D targets, in woodland, over unmarked distances, using instinctive styles.*

*We shoot to all NFAS equipment classes and styles, with the exception of any sighted styles, and cross bows. This is due to restrictions placed upon us by the landowner. Many of our members have a leaning towards the more traditional side of archery, and so you will find a large proportion of our members shooting in the English Longbow, but the other styles are well represented.*

*If what you read here is interesting, and you would like to meet some of us, please come down to the shoot ground on the day of a friendly shoot and have a chat. You can find the dates of these meetings in the Calendar section of this website. Please do not come down to the ground on any other day however. Alternatively, you could contact Carol (our membership secretary), and maybe take a trial archery lesson at her shop : Carol Archery . Carol can of course also supply all of your archery needs.*

*Thanks very much for stopping by our website. We hope to welcome you into the friendly world of field archery at our club.*

g. Linda Bennett, Events Officer

In Linda's absence, Carol and the committee reported the following points:

- Shoot attendance is up for all shoots through the year
- Pre-book and prepay test at the December Open has been largely successful
- Pre-booking has allowed more accurate buying for the catering effort at shoots
- Pre-booking and prepaying ONLY will become the norm for all Open Shoots during 2007 and on. Club members are asked to pre-book with Linda wherever possible, although payment will be accepted for members on the day.

## **2. Current committee stand down.**

The Club offered Carol a vote of thanks for all her hard work throughout the year, and also to the other members of the committee.

### **3. Election of new committee members.**

A new Committee was elected by the vote of members at the AGM as follows:

<u>Post</u>	<u>Name</u>	<u>Proposer</u>	<u>Secunder</u>
Treasurer	Paul Chenery	Carol E	Patrick H
Membership Sec	Carol Edwards	Paul C	Lucy Cramp
Newsletter Ed	Bob Dysart	Helene Holloway	Carol E
Events Officer	Linda Bennett	Terry Cramp	Bob D
Target Officer	Mike Hobbs	Barry Newman	Patrick H
Club Secretary	Lucy Cramp*	Bob Dysart	Helene H
3D Wrangler	Barry Newman	John Way	Mike Samuel

\* has since stood down, and a new Club Sec needs to be elected.

### **4. Identification and agreement of shoot dates for 2007/8.**

The following dates were agreed at the AGM, and modified for the June Open. (see the start of the Newsletter.)

### **5. Discussion and voting of formal proposals.**

There was only a single written proposal received by Lucy within the timeframe for AGM proposals. This was from Rex Oakes, and seconded by Myrtle Oakes.

Rex's proposal [verbatim]

*"Over thirty years ago when I founded the 'Company of Sixty', seven archer friends and myself hammered out a constitution for the club. One of the most important tenets of this was to cater for and promote traditional / instinctive field archery only.*

*The classes would be L/B, Flat Bow, and H/T. Only wooden arrows fletched with feathers would be shot. The original constitution seems to have been changed without any meeting or democratic vote to my knowledge! I therefore would like to propose a meeting is called to reinstate this aim and exclude B/B and compound bows.*

*Primitive class should also now be included.*

*Open shoots will of course cater for all classes."*

This proposal was discussed at length. Members voted in the majority against the proposal, and so the proposal failed – there is to be no change to the shooting classes supported by the club for members and visitors alike.

## **6. Any Other Business**

Several points were raised by members present at the meeting:

### **A. Club Child Protection Policy**

A question was raised regarding the child protection policy of the Club. Carol stated that the Club's rules quite clearly state that

“6.) All members, under the age of 16, will be supervised by an adult, shooting member. All under 12s MUST shoot with a participating parent or guardian.”

This, combined with the NFAS Child Protection Policy should ensure that children are protected when shooting.

### **B. Temporary membership.**

A question was asked regarding a clarification of temporary Club membership. Carol has made the following clarification:

- i. In accordance with the Crown Estates licence agreement, only Company of Sixty Club Members are allowed in the woods on occasions other than shoot days.
- ii. All Club members must be NFAS members
- iii. Day membership to both the Club and the NFAS is available from the membership secretary. Cards can be posted or picked up during normal working hours.
- iv. Day membership cards are dated, have the name of the participant, and are laminated as a usual membership card.
- v. Visitor's rates are: NFAS members £4 per day, Non NFAS members £5 per day, which includes £1 to the NFAS.
- vi. Groups may be taken to the woods with the above cards. Maximum number per Company of Sixty instructor/friend/family member is 8.
- vii. Temporary membership is not available on Open Shoot days.

### **C. Course setting checklist and risk assessment form**

John Pryke handed round a series of photocopies of a spreadsheet based form which he has modified from one used by a Target Archery club. The form comprises of a number of items in a checklist for each target laid on the course, and covers such areas as safe approach, overshoot areas etc. Use of this form would ensure that every course which is set is checked and then signed off as having had a risk assessment. This goes some way to showing that the Club has taken risks into account, and is attempting to mitigate risks as far as reasonably possible. This can only be a good thing. The form was discussed, and the decision taken to try the form out, with maybe one or two further modifications, when the next course is laid, or before the Open shoot, whichever occurs first. A signed copy of the form will then be retained at the Club hut.

### **D. Mickey Pearce to become a life member.**

John Pryke proposed that Mickey Pearce become a life member, for his long term efforts in supporting the Club. Although Mick was against it himself, the assembled club members agreed, and it shall remain so. Proposal carried.

**E. Mince Pie Shoot to be free to Club members?**

Roger Collis asked if the Mince Pie shoot had been changed, as it always used to be free to Club members. No-one could remember, and so the proposal was carried unanimously. The Mince Pie shoot is now free entry to all members of the Club.

**F. Vote of thanks to John Pettet.**

Barry Newman proposed a vote of thanks to John Pettet for the supply of road scalplings, which ensure a safe passage along the track into the shooting ground. This was duly noted and thanks given to John. Long may he support the club in this way.

**G. Club statement regarding the stance of the club re: use of traditional style equipment.**

Nick Cox asked if there was a public statement that the Club was a traditional style club. Bob answered that the homepage of the Club's website made that position clear – our Club has a firm leaning towards traditional shooting classes. See the extract of text in Bob's report section of the minutes.

**H. Clarification of charges regarding corporate days shooting held on the club grounds.**

Rex Oakes asked for a clarification of the charges levied by the club when corporate shooting days or other societies, e.g. SPTA, are allowed to use the club grounds. Carol responded that the Club charges £50 for a half day, and £100 for a whole day's use of the club grounds. These rates are charged for SPTA, LAMDA and corporate day shoots. The NFAS receives £1 per person who shoots during these days, see temporary membership clarification previously discussed.

This issue was raised by Rex when he mentioned that it was included in a 'list' of other queries, written and provided to him by Rod Harris. This list had been circulated to Rex, Lucie (who acknowledged having a copy), and possibly others including members of other clubs. When pressed on the other contents of this list, Rex was not willing to give any more detail. Lucie said that although she had been sent the list, seemingly as issues to raise at the AGM, Rod had later asked her not to put the issues forward for discussion when Lucie checked with him.

No other business was brought up.

**Meeting closed.**

At approximately 22:00 the AGM was declared closed by Patrick, the Chair. At the close of the meeting, no written complaints had been received, but also no apologies either.

End of the AGM 2007 Minutes.

### **Letter from Myrtle Oakes**

What follows is the text of a letter from Myrtle Oakes to me, Bob Dysart, in my position as Newsletter Editor. Myrtle asked that it is published in the Newsletter. The text is a direct quote.

*“Bob,*

*Would you please include the following in the next Company of Sixty Newsletter:*

*For the benefit of club members not at the A.G.M 18<sup>th</sup> of Jan, I wish them to know, there has been regrettably a slight misunderstanding.*

*Carol opened the meeting with a statement alleging that Rex had “attacked” her at the meeting of summer 2006 – re: the changing of the Club Constitution & Rules. Rex did not physically or verbally attack Carol!*

*Because of her close association with the Club, Rex thought Carol to be most likely to know when the Company of Sixty rules were changed, and by whom. Carol was at no time attacked or accused.*

*I hope this clarifies the situation.*

*Myrtle Oakes.”*

### **Committee meeting held at the workparty, 28<sup>th</sup> Jan.**

A successful workparty took place at the shooting ground on Sunday 28<sup>th</sup> January. A great deal of work was done to clean up the area around the hut, fix the entrance track with rubble, and to generally tidy the woods used in the course. Many thanks to all those members who turned out to give their time and effort to the club.

After the workparty, there was a committee meeting. At this meeting various issues were discussed, including a list of questions for the committee from Rod Harris. This list purports to be a list of questions needing answers from the committee from several club members. Unfortunately none of those members had seen fit to actually sign their names to this list. The issues were discussed within the committee, but it was decided that no formal answers would be given until the members who raised these questions had come forward to put their names to the list. However it was noted that many of the questions in the list would have been answered by the members attending the AGM which was held last week.

### **Anyone interested in Morris Dancing?**

Finally, a quick advertisement for Alan Bull’s morris dancing friends.

“As you know I dance the morris with two sides :

SPRING GROVE MORRIS MEN (OFFSPRING MORRIS -MIXED ) , and  
THAMES VALLEY MORRIS MEN .

Both sides are trying to raise awareness and recruit new members - both dancers and musicians . The group details are:

SPRING GROVE MORRIS MEN is a Cotswold morris side based in Kingston upon Thames .we practice during the winter on Monday evenings from around 8:30 pm. We are fortunate to have the use of St John's church , Bloomfield road , Kingston. In spring and summer we dance out generally on Monday evenings at local pubs in the area .

### **Company of Sixty on the Internet!**

As you may or may not be aware, the Company of Sixty has a couple of presences on the internet. These can be found at:

<http://www.co60.co.uk/>

<http://groups.msn.com/companyof60>

I also maintain an email distribution list for sending out computer copies of these newsletters, and for emergency notifications, other club news etc. This saves the club money for postage, and the environment. If you would like to be added to the distribution list, and have a working email address, please send an email to me at :

[Robert.Dysart@ericsson.com](mailto:Robert.Dysart@ericsson.com) (NB: That is Robert 'dot' Dysart.....)

Finally, there is of course the NFAS Webboard. This is not a Company of Sixty-specific resource, but you may find most of the information and comments on there of interest. Many members of our club post on there regularly. The forum is very easy to join, and I have used it in the past to inform Company of Sixty members of date changes etc. The forum can be found at:

<http://www.nfas.net/webboard>

### **Lapsed members**

Any member not rejoining this year should ensure that their padlock key is returned to Carol. You will then receive your deposit back.
