Newsletter by email or on the web?

If you have a working email address, and/or access to the web, it would save the club some money if you would be willing to receive the newsletter in that form. Please register with me on the above email address if you would like to receive the newsletter by email, or by reading it on the web, instead of having it mailed out to you.

COS becomes a Limited Company

On the 2nd April 2004, COS became a private company, limited by guarantee, with no share capital. The Club Officers are also:

Thanks to all the work that Carol et al had put in to set up this company, we now have a proper shooting licence for the use of the Crown woodland. This was originally agreed in November 2003, and extends now for 5 years from that date.

Lapsed members

Any member not rejoining this year should ensure that their padlock key is returned to Carol. You will then receive your deposit back.

That's all for now folks!
