

# Company of Sixty Field Archers

Welcome to the Company of Sixty Newsletter, June 2006

## Notice of Extraordinary General Meeting of the Club

Due to the urgent requirement to nominate and vote in a new Treasurer, the Club will be calling an EGM on Wednesday 5<sup>th</sup> July 2006. The meeting will be held at the club's shooting ground in Oxshott, and the committee would like as many members to be there as possible for a 7.00pm start. When the required business has been completed, there will be a BBQ – please bring your own food along to cook, and drink as appropriate. The course will of course be open, so anyone wishing to have a quick shoot round will be welcome to do so after the meeting.

**Shoot dates for 2006**

Note that since the accepted proposal at the AGM, there will be a Club medal / patch prize for club members taking part in every Open Shoot. Club members' scores will be compared to other members in the same class, and a gold medal will be awarded to the club member who is victorious in each class. Additionally, a Master Hunter Badge will be awarded in all classes to those club members who achieve a score above a pre-set level for their class. These score levels will be announced at the shoot. Members will receive a gold medal or patch, but not both. It is possible that the member winning the gold medal will not reach the required score level, and in this event no patches will be awarded. It is also possible that several people will receive patches in each class. If this occurs the class score level may be raised for the next Open shoot. It is hoped that this will encourage ever better shooting by club members.

**Company of Sixty on the Internet!**

As you may or may not be aware, the Company of Sixty has a couple of presences on the internet. These can be found at:

<http://www.co60.co.uk/>

<http://www.bikerbob.demon.co.uk/archery/cos/newsletter.htm>

<http://groups.msn.com/companyof60>

I also maintain an email distribution list for sending out computer copies of these newsletters, and for emergency notifications, other club news etc. This saves the club money for postage, and the environment. If you would like to be added to the distribution list, and have a working email address, please send an email to me at :

[Robert.Dysart@ericsson.com](mailto:Robert.Dysart@ericsson.com) (NB: That is Robert 'dot' Dysart.....)

Finally, there is of course the NFAS Webboard. This is not a Company of Sixty-specific resource, but you may find most of the information and comments on there of interest. Many members of our

club post on there regularly. The forum is very easy to join, and I have used it in the past to inform Company of Sixty members of date changes etc. The forum can be found at:

**Lapsed members**

Any member not rejoining this year should ensure that their padlock key is returned to Carol. You will then receive your deposit back.
