

COMPANY OF 60, SHOOT REPORT AND RESULTS 12 MAY 2013

The archers arrived to a roaring fire which was very welcome on a chilly morning, but the sun was shining and it soon got warm. The bluebells had worked their magic and the woods with their 38 mixed 3Ds and 2Ds including our elephant and huge gorilla, looked fantastic. Our road had been repaired the previous week as well new drainage laid and new parking areas were in use, which was lucky as we had a good turnout.

Our delicious sausages and bacon from Company of 60 member Lorraine's farm were very popular, as were our range of cakes.

Our thanks as usual to all those who helped make this a brilliant day.
