

COMPANY OF 60, SHOOT REPORT & RESULTS: 17 MARCH 2013

At least it wasn't snowing but instead we had rain on and off all day and as it had been raining for a few days before the shoot the ground was a mud bath.

The weather meant we had a few no-shows but despite that we had 54 brave archers shooting our course of 38 mixed 3Ds and 2Ds. We weren't able to put all our 3Ds as parts of the course were too muddy for the 4X4 to get anywhere near, but our 2Ds proved to be very popular – I think because 3Ds are now the norm it was refreshing to shoot something different.
